Subject: COMMENT ON THE DRAFT SCOPING REPORT FOR ESKOM FOSKOR - SPENCER
PROJECT IN LIMPOPO.
Attachments: POD_DSR.pdf

Dear Stakeholder

Eskom Transmission is proposing to construct a 400kV power line between Foskor Substation in Phalaborwa and Spencer Substation in Mhlabaneng. The Environmental Impact Assessment for the project is currently under way and the public consultation activities have progressed as follows:

DATE	ACTIVITY	STATUS
26/09/2016	Identified Interested and Affected Parties and listed them in the database	Ongoing until end of the study
13/01/2017	Placed posters in the study area	Completed
19/01/2017	Distribution of PP documents and Officially announced the project through the newspapers advertisements	Completed
08/02/2017	Focus Group meetings (Majeje TA; Mashishimale CPA; Selati Game Reserve; Grietjie Community Members; The Local Governments Key Stakeholders; Modjadji TA and Olifants North Game Reserve)	Completed
15/05/2017	Notify and advertise the availability of DSR and the dates for public meetings	Completed
15/05/2017	Distributed DSR to the public	Completed
24 & 25/05/2017	Public Meetings (in Phalaborwa; Gravelotte; Selati Game Reserve; Constantia FA; and Nyavana TA offices)	Completed

Your Department received the copy of the DSR as indicated in the attached Proof of Delivery. We are writing to remind you and encourage you to please give us your comment before the closing date **(15/06/2017)** for comment period. Please note that according to "Chapter 2 of EIA Regulations 2014, section 3(4)" your failure to comment within the stipulated timeframe will be mean that your department has no comment on this report.

Your input in this study will be greatly valued

Regards
