ENGINEERING

CLIENT	PROJECT	ROLE	VALUE	STATUS
Greater Tubatse Municipality Contact: E Malungana 013 231 8530	Construction of Kampeng & Phiring Access Bridges	Design and Construction Supervision	R 4 453 937	Current
Lepelle Nkumpi Local Municipality Contact: Phumudzo Ratshikhopha 015 633 4558 015 632 4592	Stormwater Management Upgrade at Lebowakgomo Unit R & S	Construction	R 3 126 196	Current
Sekhukhune District Municipality Contact: Christine Mashabane 012 291 4151	Ga-Moloi Water Reticulation	Design and Construction Supervision	R 7 391 039	Current
Department of Public Works – Limpopo Contact: A Kekana 0824606365 0824407776	Thohoyandou Govt Complex Refurbishment – Phase 3	Civil & Structural Engineering for Block E&D	R 12 800 000	Current
	Thabamooop Hospital Transport Control Centre	Civil and Structural Engineering (Water Sewerage, Stormwater, Roads, Podium & Structures)	R15 960 000	Current
Department of Local Government and Housing Contact: A Motubatse 0828186133 015 284 5015	Geotechnical Investigation, Design and Installation of Infrastructural Services for Tzaneen Extensions 70 & 78, Turnkey Project	Civil Engineering, Design and Construction, Geotechnical Engineer Investigations (GFSH-2), Monitoring and Reporting	R16 372 000	600 units completed in three months
Greater Tubatse Municipality Contact: T. Sande 013 231 8530 072 324 2008	Kampeng Access Bridges Cluster	Design and Construction of Bridges at GaMakofane, GaMotshana, Driekop and Phiring Rivers	R 9 800 000	Completed 2011
Department of Education Limpopo (CSIR)	Schools Water Supply - Vhembe District	Design & construction monitoring: Civil, Mechanical	R6 900 000	Completed & commissioned 2011
Gert Sibande District Municipality Contact: O Botha 0829040731 017 6203043	Ermelo Sewage Treatment Works Upgrade	Process Engineer, Civil Engineering Design, Mechanical and Electrical Design and Construction Monitoring	R 6 900 000	Completed & commissioned 2009
	Sheepmoor Sewerage Treatment Works	Process Engineering, Civil Engineering Design, Mechanical and Electrical Design and Construction Monitoring	R 1 900 000	Completed & commissioned 2009

Capricorn District Municipality Contact: K Chihota 015 294 1000 082 457 3664	Groundwater Treatment Plant for Alldays	Survey, siting and drilling of 10 boreholes, and testing of 16 boreholes	R 2 000 000	Completed and commissioned in 2009
	Extension of complex, from single to three-storey block	Structural, Civil, Mechanical and Electrical Engineering services	R 2 000 000	Completed 2009
	Groundwater sources Development for Taaibosgroethoet	Survey, siting, drilling and testing of 10 boreholes.	R1 200 000	Completed 2009
Mopani District Municipality Contact: P Shilowa 084 7267437	Geophysical survey for 10 villages	Geophysical surveys; siting and drilling of 10 boreholes for 10 villages	R 224 000	Completed 2009
Makhuduthamaga Local Municipality Contacts: G. Makore 072 356 1626 K. Kanyama 072 356 1626	Water Supply of Masakeng	Civil Engineering services	R 1 100 000	Completed
	Electrification of Masakeng	Electrical Engineering services	R1 100 000	Completed

GEO-HYDROLOGY

CLIENT	PROJECT	ROLE	VALUE	STATUS
Moretele Local Municipality Contact: P. Mabotja Tel: 012 716 1418	Refurbishment of Boreholes and non-functioning Schemes Phase 2	Refurbishment of boreholes	R2 861 000	Current
	Refurbishment of boreholes and non-functioning Schemes Phase 3	Refurbishment of Boreholes	R10 000 000	Completed
Department of Agriculture and Rural Development Contacts: M. Tlape L. Matthews Tel: 011 240-2742	Drilling of boreholes and equipping of boreholes in Randfontein, Pretoria and Germiston Regions	Drilling of boreholes and equipping of boreholes	R2 326 854	Completed
		Drilling of boreholes and equipping of boreholes	R3 594 517	Completed
		Drilling of boreholes; design, supply and installation of irrigation system and electricity and connection	R6 500 000	Completed
Lepelle Northern Water Contacts: Mukwevho T 015 633 4500	Construction of irrigation pipes, boreholes, pumps and elevated tank at Ga-Hlahla	Geohydrological investigation	R847 419	Current
Mvula Trust Contacts: G. Gondayi 015 291 2405	Borehole siting, drilling, equipping and basic reticulation system at 10 schools in the Sekhukhune district, Limpopo province	Geohydrological investigation - Sekhukhune district	R2 665 000	Completed
	Borehole siting, drilling and basic reticulation at 12 schools in Capricorn and Sekhukhune districts, Limpopo province	Geohydrological investigation - Sekhukhune district	R4 090 000	Completed
Mopani District Contact: F Masinamela 015 811 6300	Geohydrological Sources Development for Taulume Water Supply	Geohydrological Investigations, including drilling and testing supervision	R389 000	Completed
	Groundwater Sources Development for Kgapane Water Supply	Geohydrological Investigations, including drilling and testing supervision	R672 000	Completed
Vhembe District Municipality in partnership with Muteo Consulting Engineers Contacts: Tshivhengwa Tel: 015 960 2060	Groundwater Sources Development for Khakhu Regional Water Supply	Geohydrological Investigations, including drilling and testing supervision	R663 000	Completed

Vhembe District Municipality Contacts: MK Nemaname 015 960 2000	Groundwater Sources Development for Khakhu Regional water Supply	Geohydrological survey, siting, drilling, testing and water quality test	R663 000	Completed
Capricorn District Municipality Contact: Rapotu MJ 015 294 1000	Borehole Testing at Taaibosch Groet of Blouberg Municipality	Borehole evaluation	R155 000	Completed
	Borehole testing at Mathabatha of Lepelle Northern Water	Borehole evaluation	R 70 000	Completed
	Groundwater sources development at Mafefe	Geohydrological investigation, survey, siting, drilling and borehole testing	R250 000	Completed
	Groundwater sources development and evaluation at Bakone Matlala	Borehole siting, drilling, testing, equipping, and installation of pump house	R342 000	Completed
	Groundwater Protocol for four Municipality within Capricorn District	Groundwater Protocol	R1 700 000	Completed
	Groundwater Sources Development for Maphosa, Mangweni Regional Water Scheme	Geohydrological Investigations, including drilling and testing supervision	R489 000	Completed
	Geohydrological Investigations for Bawlust and Molemole west Individual water supply	Geohydrological Investigations including drilling and testing supervision	R672 000	Completed
Capricorn District Municipality	Groundwater sources Development for Taaibosch Groet, Regional water scheme	Conducting Geohydrological Investigations including drilling and testing supervision	R12 000 000	Completed
Department of Education in partnership with CSIR	Geohydrological Investigations including survey, siting, drilling and equipping at 19 school within Vhembe District Municipality	Groundwater Sources Development, drilling, testing, equipping including tank and tank stand	R6 000 000	Completed

GEOTECHNICAL

CLIENT	PROJECT	ROLE	VALUE	STATUS
Thiko Consulting Engineers on Behalf of University of Venda Contact: Tlangelani Mahange 015 296 4039	Geotechnical Investigations at University Of Venda Infrastructure Development Project 2013/2015	Drilling, test pits profiling and sampling	R700 000	Ongoing
Randwater Verneeging Contact: Z. Gasa 082 389 2106	Geotechnical Investigations for Randwater Sedimentation Tank and Flocculator	Conducting Geotech investigation through drilling, augering and test pits logging using TLB	R450 000	Ongoing
Rustenburg Local Municipality	Geotechnical and hydrological investigations for Rustenburg Landfill site	Conducting Geotechnical and hydrological investigations for landfill site	R1 900 000	Completed
Housing Department Mafikeng	Geotechnical Investigations as well as dolomite investigation at Etsoseng Village	Drilling and test pits profiling and sampling at Etsoseng	R450 000	Completed
Eskom Transmission Gauteng	Geotechnical investigations for Khutsong Power line	Conducting Geo-tech investigation through drilling, auguring and test pits logging using TLB	R450 000	Completed
	Geo-technical Investigations for Giyani power line	Test pits profiling and sampling of test pits by means of TLB	R 120 000	Completed
	Geotechnical Investigations for Mamatshetshete power line	Test pits profiling and sampling of test pits	R120 000	Completed

Waterberg District Municipality	Geotechnical investigations for housing projects with the Department Housing	Geotechnical investigations for including design and flood line investigations	R1200 000	Completed
Local Government and Housing Limpopo	Geotechnical investigations for Masisi and Mutale Extensions	Conducting Geotechnical investigations and foundation design for 901 erf or stands	R540 000	Completed
Mogalakwena Municipality Contact: 015 491 9600	Dolomitic Investigations for residential development for Piet Potgietersrust Extension 21 and 22	Investigate dolomite stability for the mentioned property	R547 470	Completed
Local Government and Housing Limpopo	Geo-Technical investigations for residential development at Vaalwater Modimolle Municipality	Conducting GeoTechnical investigations, design and supervision for residential units at Vaalwater	R180 000	Completed
Thembisile Local Municipality	Groundwater Protocol for Thembisile Municipality 23 villages in Mpumalanga Province	Groundwater assessment and evaluation for Thembisile Municipality	R1 300 000	Completed
Department of Public Works Limpopo Contact: Kaseke A 015 293 2000	Geotechnical investigations for the proposed classroom development at Waterberg District	Conducting Geotechnical Investigations for the 13 propose schools in Waterberg District	R 700 00	Completed
